## Unity Study Guide Chart Updated 10/26/20

	Traditional Terms
God	Divine Mind, Principle, Law, Spirit, Being, Father-Mother, Creator, Light, Love, Life,
	Omnipotence, Omniscience, Omnipresent
IAM	God's divinity; our divinity
The Trinity	Father, Son, Holy Spirit. Mind, Idea, Expression.
Devil	Conflict with Truth. All the thoughts that fight against and are adverse to Truth.
Sin	Missing the mark, falling short of divine perfection. The negation of a divine idea. The result
	of forgetting our oneness with God.
Evil	The absence of good. The manifest result of error thought. Not a force, but a sense of
	separation from God created in mind. Evil originates in human consciousness as a result of the
	misuse of our freedom of thought. As cold is the absence of heat and dark is the absence of
	light, evil is the apparent absence of good.
Suffering	The primary cause of suffering is our misuse of freedom of thought, belief and will. It is the
	result of our mistaken belief that we are separate from God.
Atonement	Unification. Reconciliation with God thru Christ within. The process by which the mind of each
	individual becomes consciously unified with Divine Mind.
Reconciliati	Namaste - becoming aware of our indwelling divinity and recognizing that same divinity in all
on	people.
Faith	Spiritual assurance. A deep inner knowing that anything we need is already ours. "The
	perceiving power of the mind linked with the power to shape substance" (RW 67). Power that
	draws unto us our heart's desire from the invisible spiritual substance. The power to do the
	seemingly impossible.
Forgiveness	Erasing sin and error. The process of giving up the false for the true. Forgiveness releases us
	from the mental and emotional bondage we experience. It enable us to let go of resentment
	that is adversely affecting our consciousness.
Grace	Divine order in action. God working in and through us to express the perfect outcome. God's
	desire to express completely through me, as me.
Heaven	Expanded awareness in harmony with God. The realm of pure Divine ideas. A state of
11-11	consciousness.
Hell	The suffering we experience when we feel a sense of separation from the Source of all-good.  A state of consciousness.
Will of God	
Will of God	Absolute good. God's will is that we experience and manifest as much absolute good as we
	Christology
Jesus	The man from Nazareth, the historical human person, the Way-Shower who points to the
Jesus	indwelling Christ.
Christ	The divine indwelling, not a person but the divinity within each person.
Jesus Christ	The man who became aware of His indwelling divinity.

Four steps • Observation – Stating clearly what a person is saying or doing that is or isn't enriching li
without using words that evaluate, judge, label, analyze, criticize and/or diagnose.
Feelings – Connecting with and expressing what is alive in us using words that accurately
describe the emotions and sensations we are experiencing.
Needs – Connecting with the met or unmet need or value that is the source of the
feelings.
Requests – Asking for that which would enrich life. The request is not a strategy to get
people to do things they don't want to do or a way to manipulate or change people.

The 12 Powers
Peter – Our ability to perceive the reality of God's Kingdom of Good and Divine Ideas
despite evidence to the contrary and then to use this to mold and shape substance.
Andrew – The faculty of steadfastness, dependability, stability, and capacity for
endurance.
James, son of Zebedee – Informed by our spiritual understanding, it is the faculty by
which we appraise, evaluate, and discern in order to make correct decisions.
John – The attracting, harmonizing, unifying faculty of mind; it is the constructive,
building force of Spirit. It is our power to comprehend Oneness.
Philip – The faculty that enables us to have authority over our own emotions (feelings),
inspirations, and thoughts. Power is the means of bringing forth Divine Ideas.
Bartholomew – The formative power of mind that shapes thoughts based on Divine
Ideas into mental images which have color, variety and dimension.
Thomas – Spiritual intelligence is the faculty by which we receive enlightenment and
insight. It is our capacity to gain direct perceptions of Truth.
Matthew – The decision making, direction, choosing faculty of the mind. It moves all the
other powers (faculties) to action.
James, son of Alphaeus – The faculty by which we establish harmony, balance, right
adjustment, and right sequence of action in our lives. Mind – idea – expression is the
progression through which everything comes into existence.
Simon – The faculty of enthusiasm, intensity and exuberance. It provides our inner urge
to progress; it is our motivation to achieve.

Elimination	Thaddaeus – The faculty by which we release false beliefs and accomplish a mental
	cleansing.
Life	Judas – The faculty of movement, vitality, wholeness, and creativity. It is the expression
	of the pure, eternal life of God within us.
