NOTE: I will be using the actual books in putting this class together, but all these are also available in electronic format. If you opt for an electronic format, (and I fully understand the convenience and use of these techno-gadgets)...try to get an electronic format that has both pages and locations. I will do my best to identify the pages assigned with the section, chapter title, or paragraph title as appropriate. This is what happens when you have an "old school" guy as an instructor. Ahhh....the touch, feel, and smell of a real book in your hands!
