

Ministerial/LUT Admissions Application Information

Welcome to the Ministry Leadership Admissions Process

At Unity, we believe that spiritual leadership is not just about logging hours in a classroom—it is about **demonstrating real-world competency, emotional intelligence, and living metaphysical Truth.**

We have redesigned our admissions process to be streamlined, transparent, and respectful of your prior journey. Instead of long, open-ended essays, our application focuses on verifiable prerequisites, multi-modal experiential challenges, independent endorsements, and a behavioral interview.

The **Timeline** is as follows:

1. Application opens August 1, 2026
2. Application deadline December 31, 2026
3. One-on-One Behavior interviews scheduled between September 15, 2026 through January 31, 2027.
4. Applicant notified that packet is ready for Admissions Team by January 31, 2027.
5. Applicant packets are reviewed by the Admissions Team in February 2027
6. Decisions made and applicants notified by March 31, 2027
